

**STRANDTOWN PRIMARY SCHOOL
NORTH ROAD BELFAST BT4 3DJ**

8 January 2018

**Parents' Paediatric First Aid Course
on
Tuesday 20 February 2018
at 7.00pm
in
Strandtown Primary School**

Dear Parents

As part of our four school collaboration we are delighted to invite parents to a Paediatric First Aid Course run by Emergencycare Northern Ireland. The course content for the workshop will be as follows:

- Understanding vital signs in children
- Accident procedure – when to call an ambulance
- Dealing with choking incidents
- CPR on baby/child/adult
- Asthma attacks
- Head injuries
- Nose bleeds
- Seizures
- Recovery position and the reason we do this

We know parents will benefit from this very informative evening.

Whilst this event is free, numbers are limited so only one person per family please.

Please complete the booking slip below and **return to your school office** promptly to reserve a place.

Yours faithfully

V Hutchinson (Mrs) – Acting Principal
