9 November 2017

Dear Parents

We invite you, as a parent from our partner schools, to an Online Safety presentation by i-Teach, Belfast on Monday 20 November at 7.30pm in Belmont Primary School's school hall.

We take online safety in school very seriously but we are aware of the growing number of devices used by children at home. This event will focus on steps parents can take to ensure children stay safe when online.

Whilst this event is free, numbers are limited so only one person per family please. Please note it is for parents / guardians only – not suitable for children.

Please complete the booking slip below and return it to your child's teacher

Yours faithfully

Mrs V Hutchinson
