

**STRANDTOWN PRIMARY SCHOOL  
NORTH ROAD BELFAST BT4 3DJ**

April 2018

Dear Parents

You have indicated to us through previous questionnaires and focus groups that you would like some further information on how Literacy and Maths is taught in school.

In response to this we are delighted to offer some parental workshops that will be led by teachers in school. Thank you to the PTA who secured grant funding to facilitate teacher involvement. These sessions will offer practical support on how key areas are taught in school and the learning experience of your child and will help you understand and anticipate what lies ahead next year.

As this is a practical session, places will be allocated on a first come first served basis. You are welcome to attend more than 1 session but in the event of over subscription please indicate your preferences below.

After you drop off your child you would be welcome to come into school for refreshments and the session will commence at 9.15am and be finished by 11am.

You will be issued notification confirming your place at the workshop.

Yours faithfully

V Hutchinson (Mrs) – Principal
