

Outdoor learning in Strandtown

February 2021

Dear parents and guardians,

The last month has brought cold, wet and snow filled days but yet the teachers have been delighted to see that our Strandtown families are still engaging with nature. We have received photos of bird nests, bird feeders, sensory walks, puddle jumping and much more. The importance of these outdoor activities cannot be undervalued and as we celebrated 'Children's Mental Health' week at the start of the month, it was refreshing to see the connections being made with the great outdoors.

Check out what some of us got up to:

Looking after the birds. 😊

Wind chimes made out of sticks 😊

Snowman building!

Our new Log Seating area:

As mentioned in last month's newsletter, a huge thank you to Mrs Long and 'Sow Grateful' for delivering our new seats.

This gives us a space to reflect on our outdoor learning together. 😊

Lots of us made bird feeders and took part in the Big Garden Birdwatch! What is your favourite bird and why?

How lovely to see the daffodils appearing!

Next month marks the start of Spring!

Many thanks,
R McCoy
